

Robertshaw® Solenoid Water Valves (V series) are used by the most renowned appliance manufacturers for household and industrial applications. They are designed and produced to meet the stringent requirements of OEMs by using cutting edge assembly technology which provides tamper-proof seal, optimal operating pressure and performance.

Features and Benefits

- Body made of high quality material to provide exceptional resistance to corrosion and mineral deposits
- Encapsulated coil provides high mechanical and dielectric strength and moisture resistance
- A variety of different flow regulators available based on appliance need
- UL recognized, and in some cases CSA and NSF compliant
- IEC certified
- Made in EU

Technical Data

- Operating Pressure: 0.2 to 10 bar
- Insulation: Class II to water. No grounding required
- Coil terminals: two 6.35 x 0.8mm male tabs FASTON, RAST 2.5, RAST 5
- Coil insulation: Class F (140°C wire operating temperature)
- Ambient Temperature: 85°C maximum according to water temperature and duty cycle
- Water Temperature: 90°C maximum according to water temperature and duty cycle
- Internal leakage: Maximum 1 drop/min. on pressure 0.2 to 10 bar

Specifications

Part Numbers	Product Description	Inlet	Outlet	Type	Outlet orientation	Coil type	Electrical Rating	Flow Regulator
1273321	Clothes Washer, Solenoid Valve	3/4"	10mm	Double	180°	FASTON	230V AC 50Hz, 6 Watts	10L/min
1273640	Clothes Washer, Solenoid Valve	3/4"	10mm	Double	180°	FASTON	230V AC 50Hz, 6 Watts	10L/min
1273451	Clothes Washer, Solenoid Valve	3/4"	10mm custom	Double	90°	FASTON	230V AC 50Hz, 6 Watts	10L/min
12602630	Dishwasher, Inlet Valve	3/4"	10mm	Single	90°	RAST 2.5	230V AC 50Hz, 6 Watts	2.5L/min
1273890	Clothes Washer, Inlet Valve	3/4"	10mm	Double	180°	RAST 5	230V AC 50Hz, 6 Watts	6L/min
1275140	Clothes Washer, Cold Water Inlet Valve	3/4"	10mm	Double	180°	RAST 2.5	230V AC 50Hz, 6 Watts	6L/min
1263660	Clothes Washer, Inlet Valve	3/4"	10mm	Single	180°	RAST 5	230V AC 50Hz, 6 Watts	6L/min
1268690	Clothes Washer, Hot Water Inlet Valve	3/4"	10mm	Single	180°	RAST 2.5	230V AC 50Hz, 6 Watts	6L/min
1268400	Clothes Washer, Solenoid Valve	3/4"	10mm thread	Single	90°	RAST 5	230V AC 50Hz, 6 Watts	5.5L/min
1266010	Dishwasher, Solenoid Valve	3/4"	10mm thread	Single	180°	RAST 5	230V AC 50Hz, 6 Watts	4L/min
1261950	Clothes Washer, Solenoid Valve	3/4"	10mm	Single	180°	FASTON	230V AC 50Hz, 6 Watts	8L/min
1263880	Water, Inlet Valve	3/4"	10mm	Single	180°	RAST 2.5	230V AC 50Hz, 6 Watts	8L/min
